PRESERVATION OF HAREWOOD. Object of the Washington Manor As-

sociation.

Mr. Edwin Fairfax Naulty of Philadel-

phia, representing the board of regents of the Washington Manor Association, had an interview by appointment yesterday with President McKinley for the purpose of asking him to join the membership of the board. The object of the association is the purchase and preservation of Harewood, comprising a mansion and grounds of 263 acres, situated in West Virginia, about twelve miles from Harper's Ferry. The mansion was built in 1752-56, under the superintenwas built in 1102-36, under the sup-rimendency of Gen. George Washington, for his brother, Col. Samuel Washington. It is now in the possession of John Augustin Washington, a lineal descendant of Samuel Washington. James and Dolly Madison were married in the house in 1794, and Louis Philippe, afterward King of France, and a son of the Marquis Lafayette were sheltered there at various times. George Washington also suent his summers there. Washington also spent his summers there. President McKinley showed much interest in the project and wished it success. He promised to take the question of mem-bership in the board under consideration, and the understanding is that his reply will be favorable. The objects of the associa-tion, Mr. Naulty says, are entirely pa-triotic. An effort will be made to secure the place and preserve it, as has been done with Mount Vernon. The purchase price, \$130,000, will be raised by popular subscrip-
